Information Presented

Information was presented by Todd Black on potential conflicts with other threatened or endangered species and other species of concern and how they ought to be treated and address in the plan. The group had discussion and felt it would be in their best interest to address these issues and concerns throughout the plan as it would be deemed necessary.

Information was presented on the overall state wide sage grouse plan and how this local working group fits into the plan. The group worked with the GIS coverage of the area and re-defined the area based on administration and possible movement patters of the birds.

The group started working on defining the localized plan and

worked on writing potential goals and objectives.

Discussion Highlights

The group **appointed key board members** as follows-

Adam Bronson UDWR --Chair

Wally Dodds and Bruce Bunting Co Chairs

Kevin Heaton/Todd Black Facilitator/Secretary

Next meeting was scheduled for **March 24th at 1:00 PM** in the Forest Service Conference Room.
